

## A new building was constructed in Neillsville WI

Simplicity Credit Union has opened a *new building* in Neillsville WI. This facility, compared to there old one, has a larger lobby, more space for their team, and a drive thru. They built this after spending three years in their old building.

The branch officially opened in October 2023, with its **smart** drive-thru and lobby ready for use. The previous building is set to be sold.

### What they do

Simplicity Credit Union is a financial cooperative offering a range of services such as checking and savings accounts, loans, credit cards, and financial planning tools. The person writing this article says, “Wow, so many useful things!” They also provide personalized service to their members like access to digital banking solutions and educational resources.
